Bringing Together our community to assist people in need with Hope, Dignity and Compassion
Together we are Collaborating to Prevent and End Homelessness in our Community. Together is focused on the prevention of homelessness in our community. This year we will offer hope, dignity and compassion with over 43,000 services in Douglas, Sarpy and Pottawattamie Counties.

Together provides free resources including food, clothing, furniture and financial assistance for basic human needs. Together collaborates with numerous agencies in our community. This allows us to expand our reach by providing additional education and services to the people with the most need. We are unique in that we are able provide all of these services within one organization. Our services are free of charge - not only to those individuals and families who utilize them, but also to our partner pantries and agencies.

The Together Community Resource Guides are a reference for you. We hope it is helpful to you and others facing life’s most challenging experiences.

Getting Started with MyPlate
ChooseMyPlate.gov

MyPlate is designed to remind Americans to eat healthfully; it is not intended to change consumer behavior alone.

MyPlate illustrates the five food groups using a familiar mealtime visual, a place setting.

ChooseMyPlate.gov
The website features practical information and tips to help Americans build healthier diets.

It features selected messages to help consumer focus on key behaviors. Selected messages include:

- Balancing Calories
  - Enjoy your food, but eat less.
  - Avoid oversized portions.

- Foods to Increase
  - Make half your plate fruits and vegetables.
  - Make at least half your grains whole grains.
  - Switch to fat-free or low-fat (1%) milk.

- Foods to Reduce
  - Compare sodium in foods like soup, bread, and frozen meals—and choose foods with lower numbers.
  - Drink water instead of sugary drinks.

ChooseMyPlate.gov includes much of the consumer and professional information formerly found on MyPyramid.gov.
The Nebraska Food Distribution Program was developed to allocate and distribute foods purchased by USDA. The Food Distribution Program distributes USDA donated foods to participating agencies: schools, child care agencies, charitable organizations, summer food service programs, and food banks.

The Emergency Food Assistance Program (TEFAP) is a Federal program that helps supplement the diets of low-income Americans, including elderly people, by providing them with emergency food and nutrition assistance at no cost.

The Nebraska DHHS acts as the Distributing Agency for USDA donated foods. Eligible outlets include schools and residential child care institutions participating in the National School Lunch Program, child care centers participating in the Child Care Food Program, approved sponsors of a Summer Food Service Program, and food banks, food pantries, soup kitchens, etc. participating in TEFAP.
